**Field Trial/Gun Dog Training**  
**Short or long term Boarding**  
**Behavioural Counseling**  
**One-On-One Obedience Sessions**

No concrete jungle or plastic play grounds here. At Baypoint Kennels we offer a natural playground for your dog. Walks are through the woods and swims in our ponds. Our kennels offer individual runs for dogs, separate sleeping quarters and are fully enclosed. Dogs in for boarding are exercised 3 times a day. Any energy they have is quickly used up as they run and play with other dogs in our enclosed airing yard. Additionally, we offer walks and obedience sessions while your dog stays with us.

Need to drop off the dog for the day, or going on vacation, but no dogs allowed. We're here for you. Our facilities are clean, comfortable and provide the peace of mind you are looking for. We'll have them bathed and happy when you're ready to take them home. Feel free to bring those little extras that they can't do without.
